NB

- 1) In case of equal scores, the prices in the general ranking will be divided following the Hort system. The prices of the other categories will not be divided, but will be distributed following points of the tiebreak systems.
- 2) For the rating categories, a player can only win a price in his rating category.
- 3) Prices are not cumulated. When a player comes in consideration for more than one price, he/she will receive the best price.  
When a player can win the same amount in more categories, the following order will be used:  
overall ranking - rating category - age category - ladies.
- 4) A player receives all cups he/she is entitled of. There are cups per group for the winner of the tournament and for the winner of the juniors and the ladies.
- 5) The different elo categories are based on the ratings of pairings.
- 6) Prices are only distributed to players who are present at the price giving ceremony.
